Pictured above: Mr. Wahl looking forward to another day of work. Right: A glance of Mr. Wahl in one of his first years as Principal of Pacific.

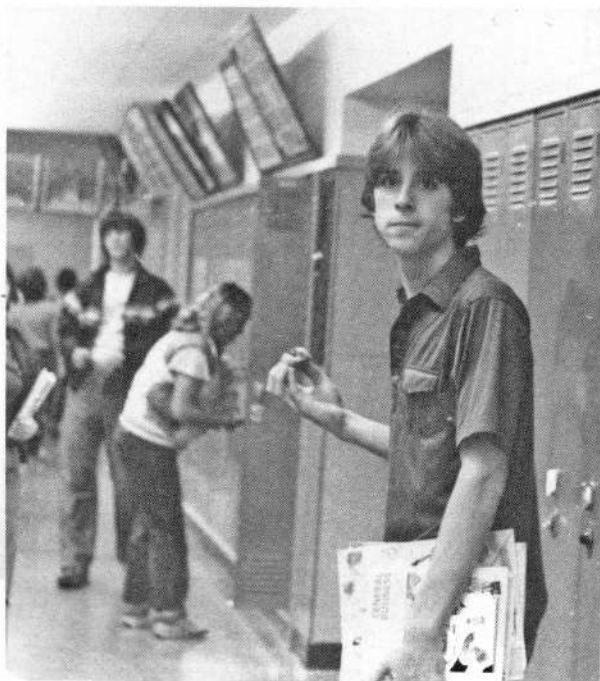

We dedicate our yearbook to you, Mr. Wahl. As you have been Principal here at Pacific, you have seen Pacific at its finest, with academics, sports, and activities, along with the best possible educational system the patrons have provided. You have seen many students come and go, along with the teachers who have previously taught here. You have given much of your

time and effort throughout all your twenty-two years as Principal at Pacific, and before that as a teacher in District 2CJ.

We, the students and faculty of Pacific High School, wish you well in your retirement, and thank you for a job well done. We hope you will continue to be interested in us.

## District 2CJ Board Of Education Has Interesting Year

The school board this year has been the center of a great deal of controversy over the school's 1983-84 levy.

The actions that affect students include their decision to retain the football uniforms and equipment until a future date, to hire a replacement for Mr. Wahl as the high school principal, and conducting hearings on the future of education in District 2CJ.

Our school board is made of up seven members from all parts of the district. Our school district is a narrow strip along the coast from five miles south of Bandon to Arizona Beach. The people on our school board serve without pay for up to five years. DeBoyd Smith is not pictured in the board's picture above.

# Fifty-One Frosh Make

Being a Freshman is being the lowest class in the school, being called "hey-you" by people that don't know you the first nine weeks. It's also having to wait three more years for graduation, raising money for the Valentines Dance and the Junior-Senior Prom, held in the Spring. A Freshman's lot is being looked down on by the upperclass-

man and getting all of the leftovers from lunch. Being a Freshman is taking Biology I, Pre-Algebra, and Algebra I, English I, P.E., and a number of elective classes such as Industrial Investigation, Drafting, Home Economics, Typing, Band, Computers, and Journalism. It has its ups and downs, but, all in all, being a Freshman is really great.

# Two Down And

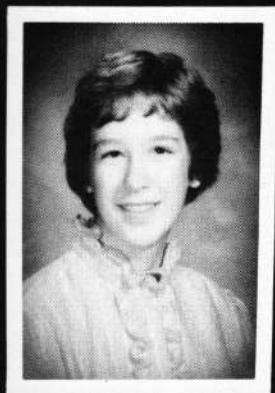

Michelle Russum

You, the Sophomores, have anticipated your Senior year. You wonder if you will ever get there. But when you come back to reality, you have only two short years to go.

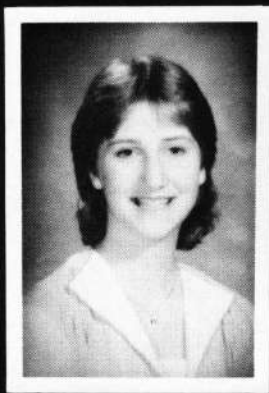

You're one step higher than the lowest class, but one step short of being an upperclassman. As the years go on, you will start to notice that your classmates have grown in their own special ways. You will all grow closer

together with each passing day. Soon you will be saying, "This is the last time we will all be doing things together, before everyone goes their own separate way."

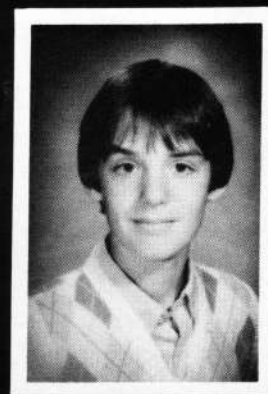

So for you the Sophomore of P.H.S., your Senior year will come soon enough, so try to enjoy the two years you have left and make them the best.

## Planning For The Future

The class of '85 has worked hard this year with the help of their officers: President Kim Summers, Vice-President Susie Coady, and Secretary-Treasurer Marion Dallison. The advisors are Mr. Davis, Mr. Brent, Mr. Johnson, Mr. Renius, and Miss Fox.

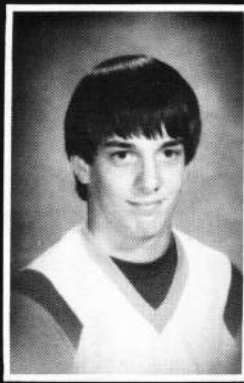

The Junior class advisors chose seven Juniors for the Prom Committee. They are Marion Dallison, Ralph Ginestar, Chris Fanning, Donnie Campbell, Robin Felton, and Kim Summers, and Susie Coady.

The Junior class held several money-making activities throughout

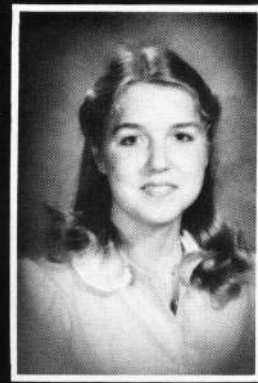

the year. They needed some \$1,000 for the Prom held last Spring. Some of their activities were dances, the Christmas bazaar, and the restaurant raffle.

This year's volleyball season was an improvement over last year's. Even though they won only three games, the team was full of enthusiasm, good sportsmanship, and teamwork. Most Valuable: Mary

Thomas, Most Improved and Most Inspirational: Paula Londagin.

Our top servers were Mary Thomas: 94 percent, Pam Reimers: 97 percent, and Kim Summers: 81 percent.

Our top spikers were Mary Thomas: 89 percent, Pam Reimers: 87 percent, and Laurie Crose: 84 percent. Our top blocker: Marion Dallison 92.8 percent.

Volleyball

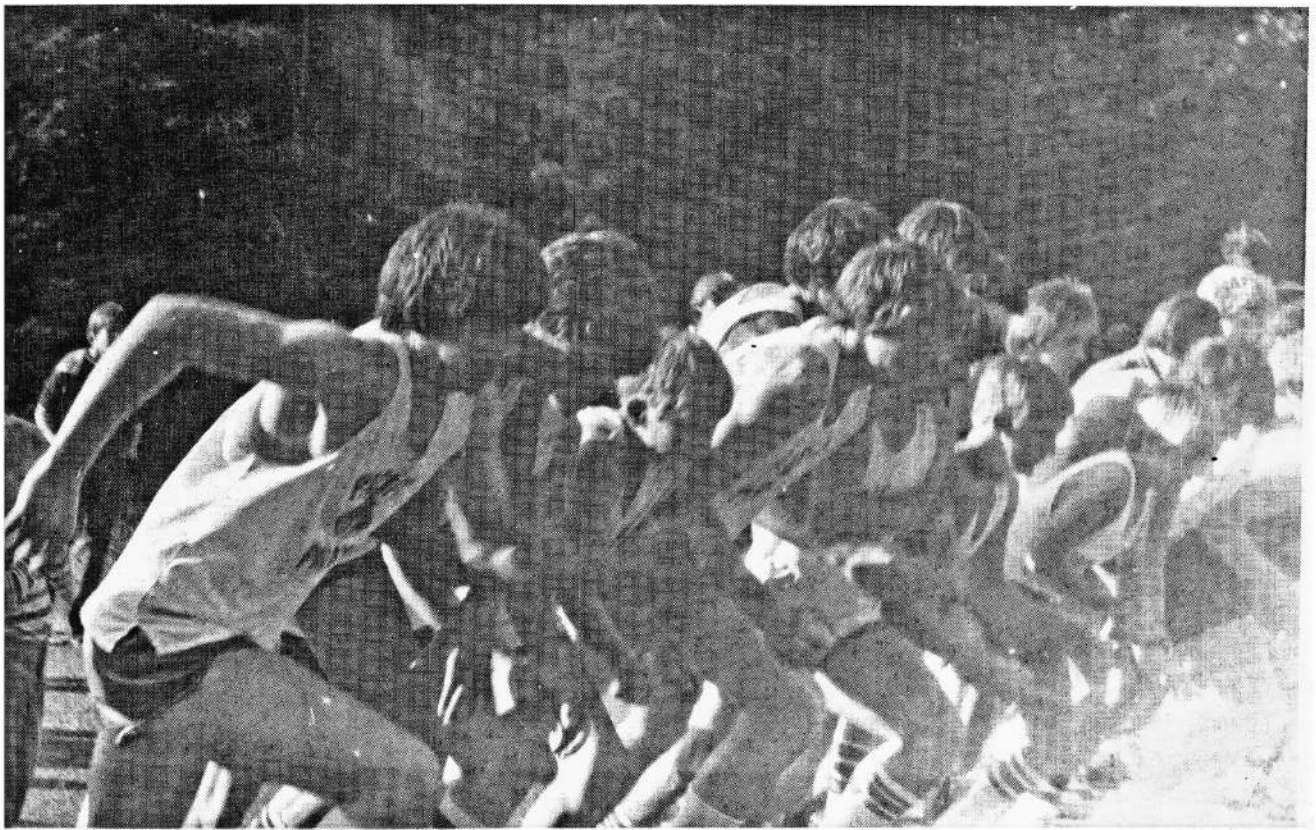

The pirate team huddles to make plans!

This year's volleyball team was intensely energetic. When they first started the season, they were young and inexperienced. Soon after the first couple of games, they captured and held the pirates attention by making controlled bumps and successful serves. They finished the

year with a winning season. Judy Rainboth won the Most Improved Player award. Kami Bodfield was the Most Valuable Player. Bobbie Stellflug wrapped up the season as the Most Inspirational Player. All in all, the J.V. team had a fulfilled and successful 1984 season.

The two top photos are of Michelle Johnson, the only girl out for the team this year. Also out for the team but not pictured are John Shepherd, and Zana DeGrignon.

The Pacific High boys' Cross Country team had their best finish in Coach Jeff Moore's three-year tenure. Seniors Joe Brown and John Shepherd provided the necessary leadership and inspiration, while a host of younger runners including Adrian Baker, David Baker, and Wade Phillips provided additional quality, and with seven freshman out, this is a team that looks good for years to come. The Pirates finished third in league and fifth in District at the Regional meet.

On the girls' side, Michelle Johnson was the Pirate runner. She concluded an excellent season by finishing 11th at District.

The chorus performed several times this year. At the Christmas concert, they sang "This Holy Child," and "Sixty Page Cantata for Christmas." The soloists included Brenda Zitzelberger, Pam McDonald, Shelly Harper, and Sherry Harper. They also performed at the North Bend Swing and Show Choir Festival, and the Spring Concert. The Spring Concert was a tribute to Saturday T.V.

There were also several people who made the Honor Choir. They included Brenda Zitzelberger, Paula Londagin, Shelly Harper, Sherry Harper, and Tom Keeler.

The Outdoor Education Counselors pictured above are from left; Ralph Ginestar, Kim Summers, Adrian Baker, Kim Silvernail, Joe Brown, Shellie Peterson, Shannon Creson, Bobbie Layne, and David Owens. Below are some of the campers taking a break after lunch.

This year's outdoor education was a departure from the previous year's programs. Instead of having the week-long camp at Camp Lobster Creek, there was a two-day camp at Mr. Alan Brown's ranch during September 19-20, 1983. During these two days, activities included such things as plant identification, tracking animals, trailing with a map and compass, and the traditional evening campfire with skits and singing.

This year's annual staff was made up of four Seniors, three Juniors and one Freshman. Throughout the year, staff members came and went. These few finished up the year and kept busy every day.

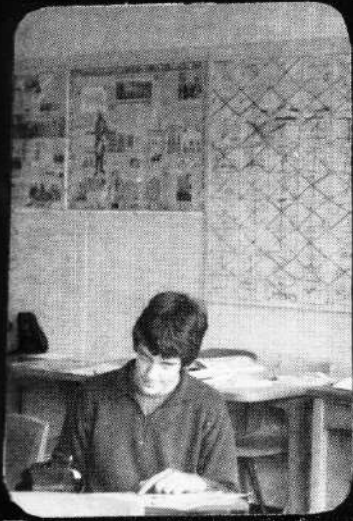

A lot of work goes into putting an annual together. But, in the end, it all seems worth it. Years later, when you pull it out and turn the

pages, memories unfold and you realize that you helped put this annual together. Part of you and your ideas are in this book. And then you also realize that you contributed your time and effort so that people may enjoy looking through it in years to come.

Taking pictures, developing prints, organizing, selling ads, rushing to meet deadlines

and putting your own ideas in along with helping other staff members out are part of an efficient, hard working and productive staff.

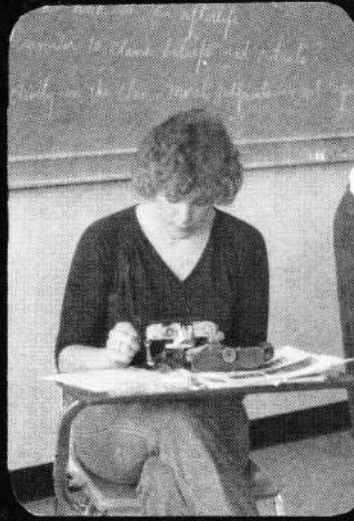

The 1984 staff consists of: Joe Brown, Shannon Creson, Bobbie Layne, Ann Quarles, Caroline Argo, Laurie Crose, Robin Felton and Mike Brown.

This year's Student Council was headed by Bobbie Layne, ASB President.

Among the new things the council did this year were holding two Pirate Jams-one in the Fall and in the Spring. The first one was judged for 1st, 2nd, and 3rd place; the second one was just for fun.

The Student Council decided to have a teacher as a secret pal for a week, to present them with small gifts, treats, etc. The teachers later reciprocated by choosing secret pals from among the Student Council members.

They also held a Christmas party for first graders in December and an Appreciation Night in May. All in all, it was a busy year.

# The Pirate's Echo

Above Left: A few of the journalism members proof-read articles. Above: Lori Summers is busy making the deadline.

A successful school paper comes from many hours of hard work. First, there is the task of assigning stories. Not everyone gets the stories they want, but they still write a good, interesting story.

Then comes the hours of interviewing people, creating new style for the article and research.

After all this, everyone fights for the computers to get their articles in on time.

When all of this is completed, there is still hard work to come. The class members must sit down and put all of their stories and articles together to form a paper that the student body will want to read.

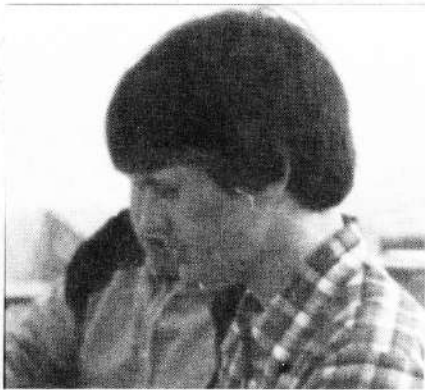

Great job on the paper this year! The memories created in the paper will be in the minds of the whole student body for a long time.

This year was the first year in 5 years that P.H.S. has had a Pep Club. The Pep Club officers this year are as follows: President: Shannon Creson; Vice-President: Joe Brown; Secretary-treasurer: Teresa Moe, and Student Council Representative: Cameron Brown. The function of the Pep Club is to promote school spirit by attending the sports activities at home and away. This year's Pep Club went to the basketball games, wrestling meets, and other activities. Great job, Pep Club!

FBLA had an exciting year. In October, they took the day off to attend a conference on the OSU Campus. They spent the day there and attended leadership workshops. At Thanksgiving, then their leader, Mrs. Micki Puddy left the school and the club to become Mrs. James Struck. Then Miss Nancy Fox took her place

as Business teacher and club leader. Things were not all peaches and cream. There was work to be done, basketball rosters to be typed up and printed out, letters to write, and activities to attend to. There was some problems and differences of opinion, but nothing that could not be worked out.

FBLA engaged on several fundraising activities. Near the beginning of the year, they raffled off a walkman stereo. Next, in February, they had a carnation sale for Valentine's Day, and then seven people attended a Skills-day contest in Reed-sport.

# Honor Roll Students

The following students were on the honor roll the first semester; top row, left to right: Christiana Lau, Marian Dallison, Cless Woodward, Tom Hanson, Cameron Brown, Robin Felton, Christine Ells, Kim Summers. Bottom row, left to right: Lana Gallity, Stacy Doren, LuAnne Slosser, JoAnne Chase, Steve Wright, Paula Londigan, Harold Olmstead, and Hiroe Hawana. Anna Shook is between Harold and Hiroe.

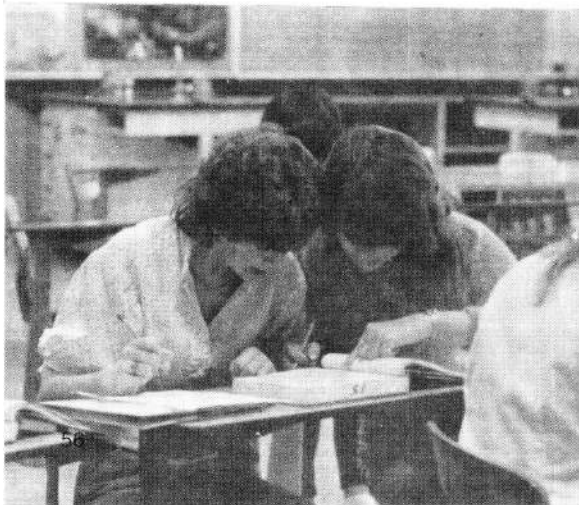

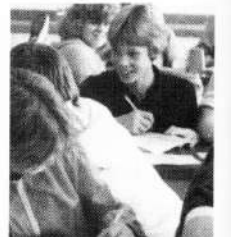

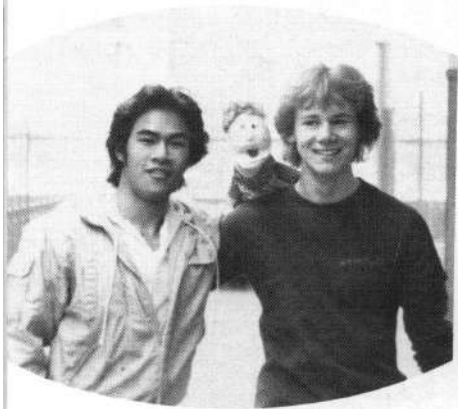

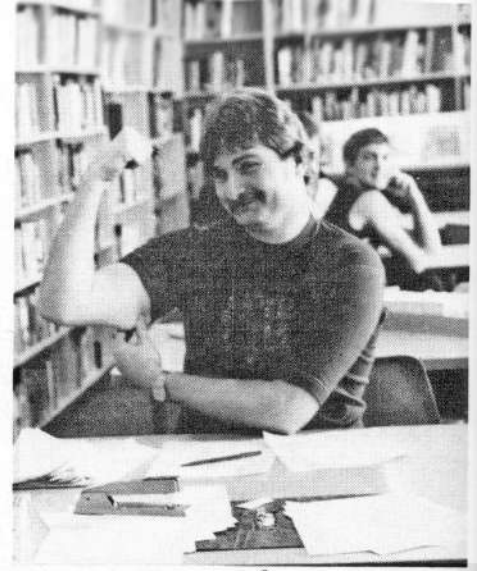

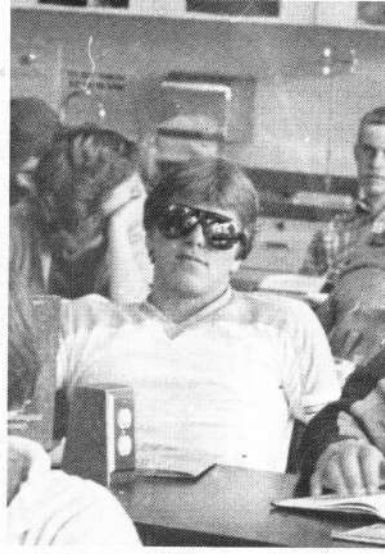

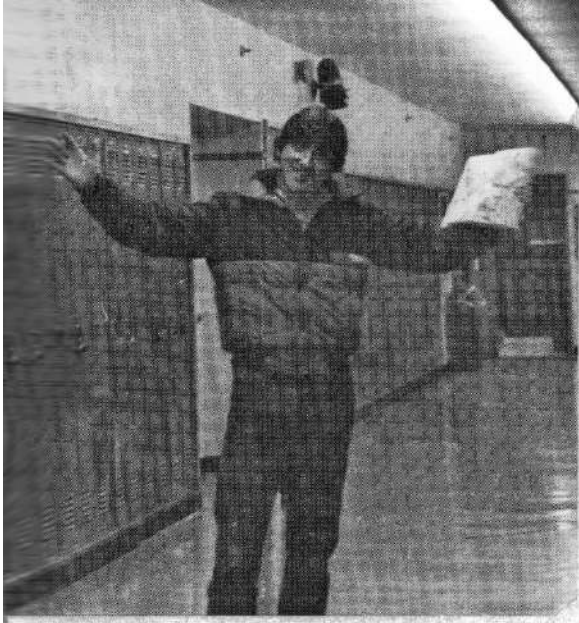

To be on the honor roll, students are required to maintain at least a 3.5 grade point average.

They have to work hard to maintain the honor roll requirements. Good job, students! Keep up the good work.

The leading scorer for the team was Mike Brown who averaged 10 points per game. Other players were Wade Phillips, David Baker, Lyle Luppen, John Estes, Mike Miracle and Mike Warren. Above is coach Craig Renius who is a First-year coach.

# Neil Evans Chosen For All- Star Team

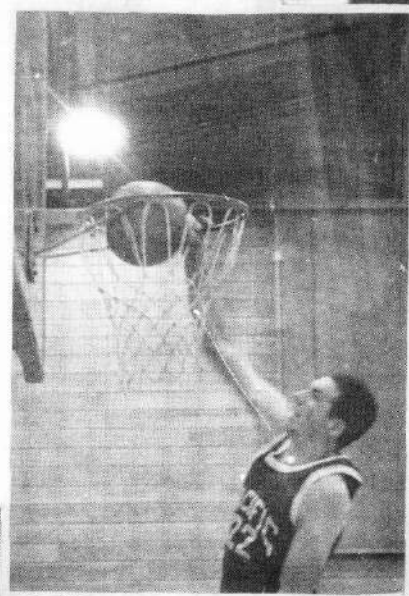

Pacific had its very own celebrity on the varsity basketball team this year. Neil Evans, our 6'6" center, holds this title.

Neil moved here from San Jose as a freshmen, and decided to try his hand at basketball. He played on the freshmen team, but then as a sophomore excelled to a starting position as center for Mr. Moore's varsity team. He was also awarded the honor of being chosen as a member of the all-league second team.

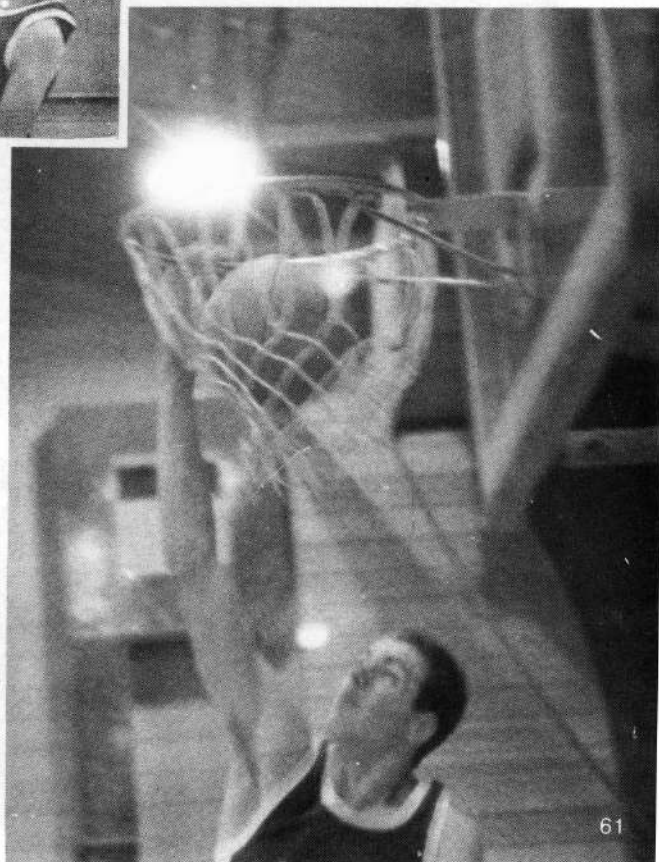

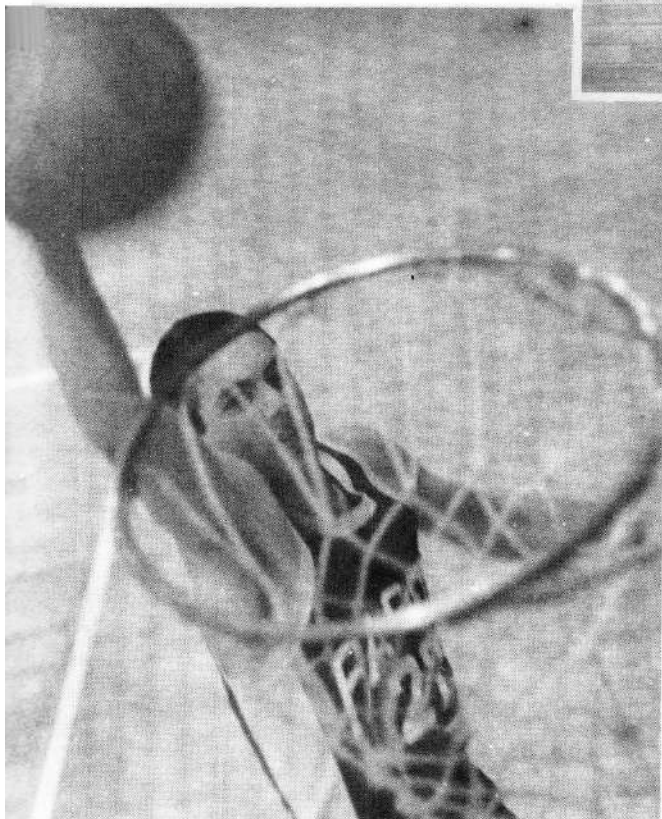

This year, as a junior, he broke Randy Mc Cune's season scoring record by 72 points by scoring 518 points himself. He also made the first all-league team and the first MVP all-league at state in Pendleton, OR.

Between the dates of July 27 and August 15, Neil will be touring with the Northwest Basketball Camp. This is a team camp, but Neil tried out especially for this tour. Among other places, he will visit Germany, France, Austria, and Italy.

Besides his awesome ability to "jam" it through the hoop, Neil is also a good defensive player, and can shoot outside with ease. His good-natured attitude enables him to be the outstanding all-around player that he is. Any coach or team would be glad to work with him, but we, at Pacific, are especially proud to have him. GOOD LUCK NEIL!!!

# Boys' Varsity Finishes Sixth In State

The 1983-84 boys' varsity basketball team had a league season record of 9 wins and 3 losses. Their hard work and determination provided them with a chance at the top spot to state by traveling to regionals at Roseburg, OR. The boys lost their first game to LaPine, but defeated Sacred Heart in the second game to give them second place. This win made the team eligible for the State play-offs in Pendleton, OR. Here, the boys lost their first and third games, but defeated the Sheridan Spartans with a margin of 17 points in the second game. The score was Pirates-67, Spartans-48. The boys left Pendleton as the sixth best team in Oregon.

The team's motto this year was "ONENESS", and it proved to be a worthwhile one, as the record clearly shows. Congratulations to the 1983-84 Boys' Varsity Basketball Team!!

The girls' 1983-84 varsity basketball team finished its season with a record of 11 losses, and 1 win, which was a home game with the

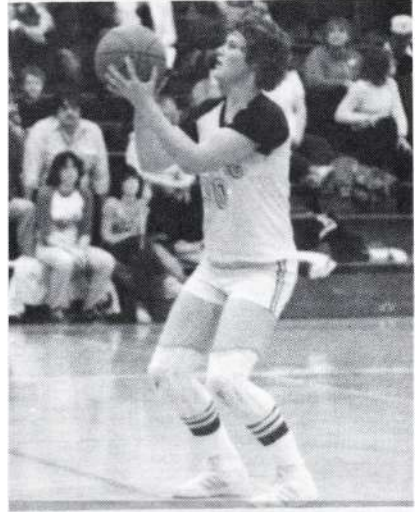

Riddle Irish. The score was Pirates-31, Irish-30.

The team was young and virtually inexperienced, consisting of two freshmen, (who also played J.V.), four sophomores, two juniors, and three seniors.

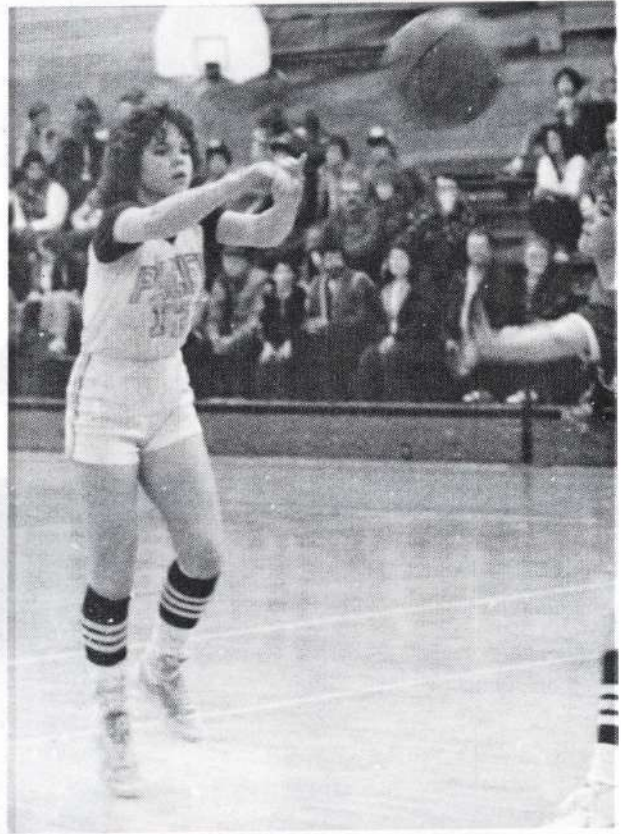

One of our quicker guards, Mary Thomas, our excellent rebounder, Bobbie Layne, and the court-sense of Pam Reimers will be missed next season, as they are our seniors.

# Girls' Varsity Basketball

**SCORE!** *P.H.S.*

Our varsity team started out with nine players, and gained two J.V.'s early in the league season. The girls didn't have an outstanding record to encourage them at the end, but the courage and pride in our school, and the support of the fans kept them going. In the eyes of their supporters, themselves, and their coach, they were truly winners. You can bet that they'll be ready next year for another shot at the

play-offs.

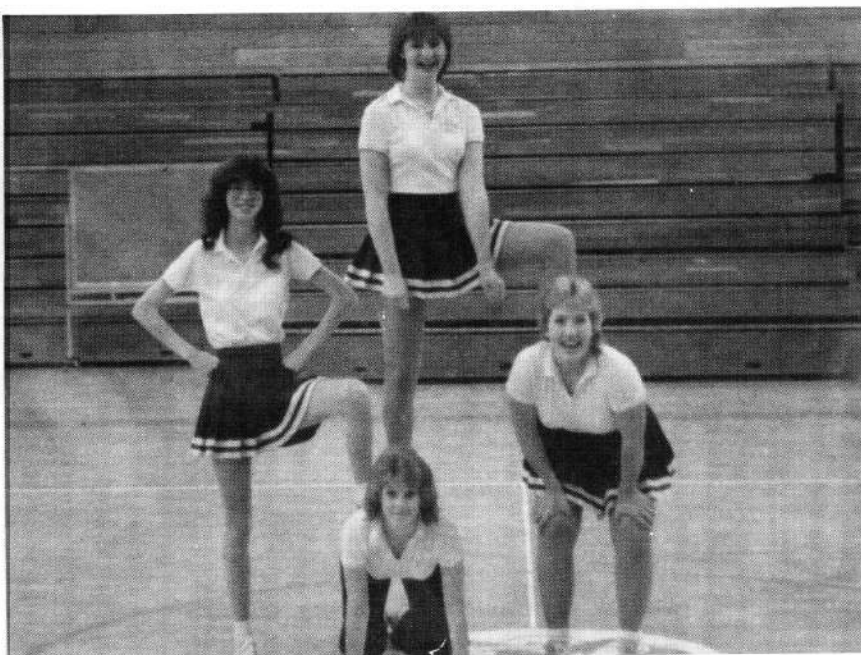

Although everyone contributed to the team, a select few were chosen to be outstanding in particular areas. The Most Valuable award went to Marion Dallison, Most Inspirational to Pam Reimers, Most Improved to Stacy Wagner, and a new award, Best Defensive Player, went to Bobbie Layne.

## J.V. And Varsity

The J.V. Cheerleaders did a very good job this year. They had the task of cheering for the J.V. boys and girls, plus the boys' Frosh team. They also did a routine at halftime of the girls' varsity game during Homecoming. The song they performed to was "Human Touch".

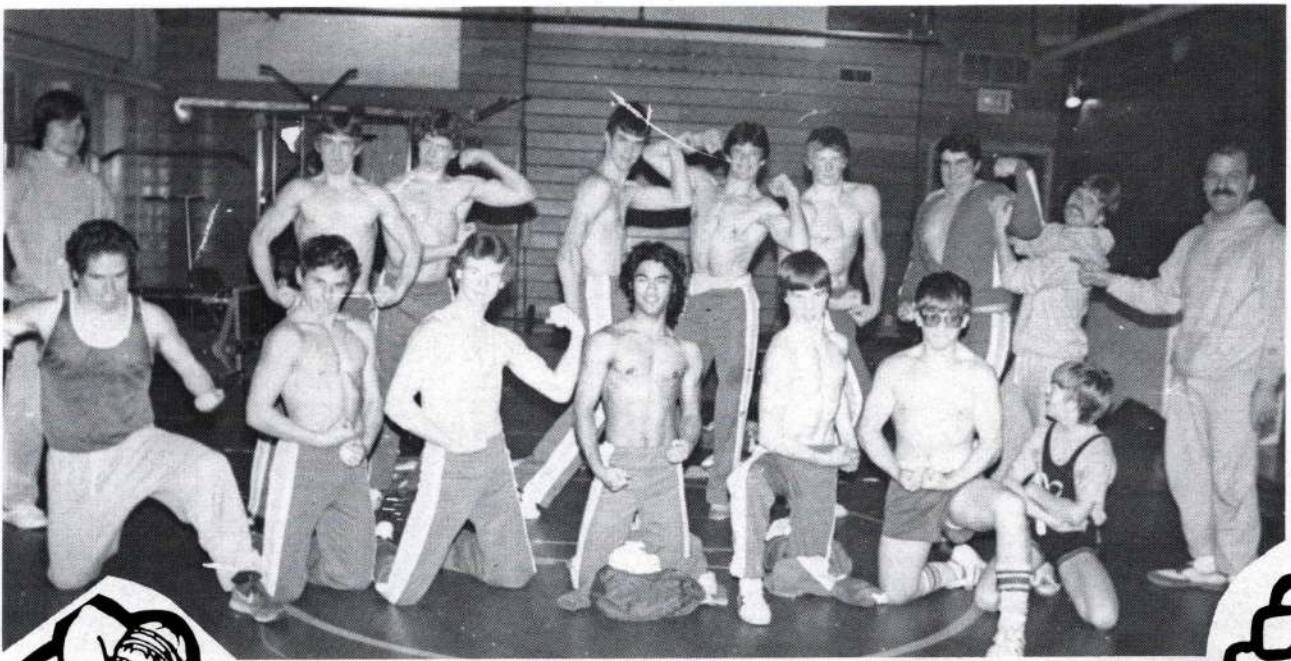

Pictured above are the Boys' Varsity Cheerleaders during Regionals at Umpqua Community College. They are from left to right; Susie Coady, Bobbie Layne, Paula Londagin, and Ann Quarles.

## Cheerleaders

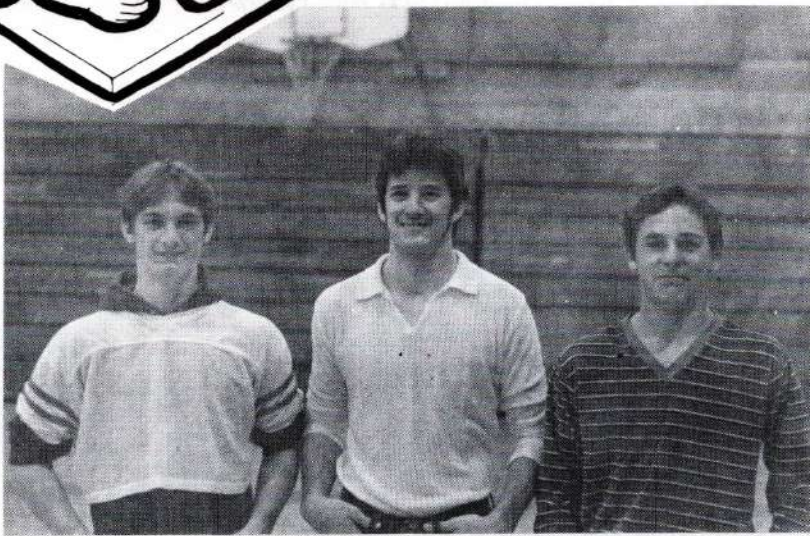

The Boys' Varsity Cheerleaders were a contribution to the basketball team going to State this year. They always did a great job of getting the team pumped up during the games, and also getting the crowd behind them.

Besides the great job cheering this year, they also performed a dance routine that was fantastic. They performed to the song "1999" by Prince during halftime of the Boys' Varsity Homecoming game, at halftime of our regional games, and at halftime of our games at the state tournament in Pendleton.

The Pacific Wrestlers are front, from left; Harold Olmstead, Perry Pendergrass, John Anderson, Darin Gacuzana, Mike Redding, Tom Keeler, and Jeff Cluff. Behind from left are assistant coach Mr. Young, Alex Hensley, Dan Knapp, Jeff Morris, Shannon Creson, Tony Bowman, Jim Bussman, Head coach Mr. Bruckert, and assistant coach Mr. Smith. Below left is Alex Hensley, Most Inspirational; Shannon Creson, Most Valuable; and Perry Pendergrass, Most Improved. Not pictured are Don Newton and Jerry White.

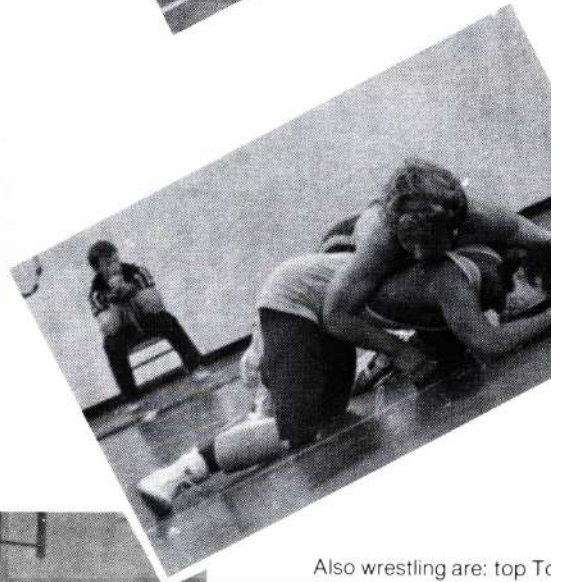

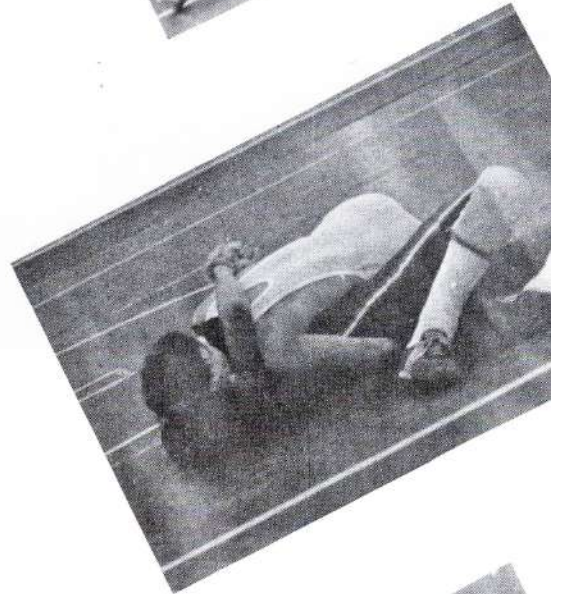

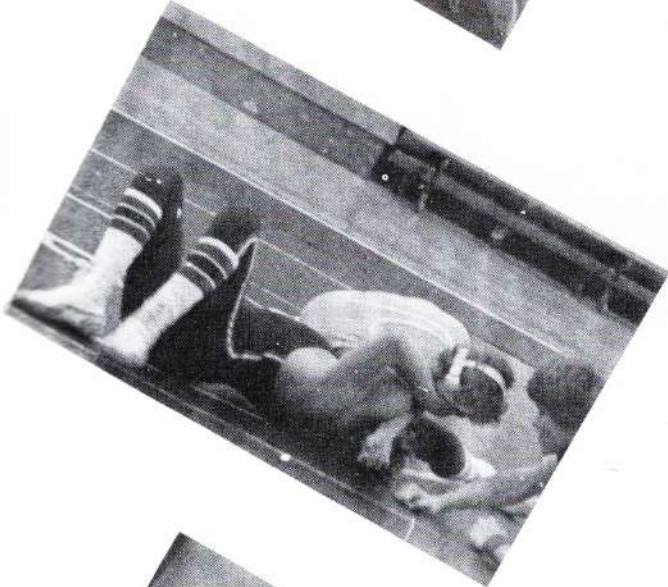

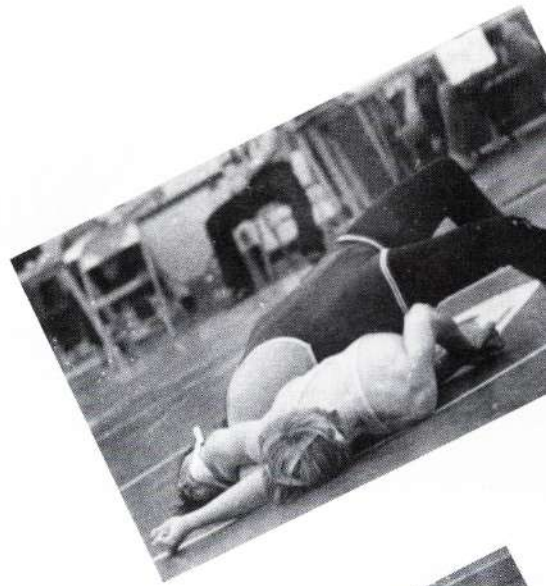

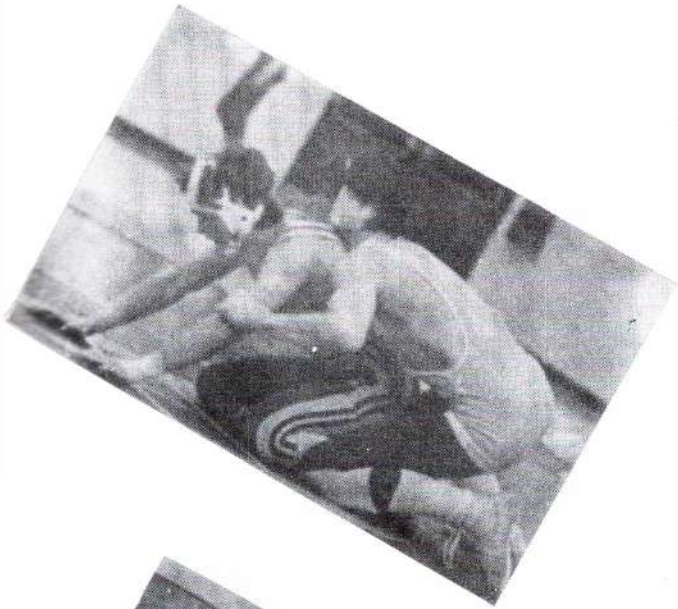

This year's wrestling team was very successful. There were 12 wrestlers who finished the season, with nine making it from the league meet to the district meet. Those making it from league to district include: Jeff Cluff, 4th. place in the 98-pound class; Darin Gacuzana, 4th place in the 115-pound class; John Anderson, 4th. place in the 123-pound class; Perry Pendergrass, 3rd. place in the 130-pound class; Shannon Creson, 2nd. place in the 136-pound class; Alex Hensly, 2nd. place in the 141-pound class; Jeff Morris, 4th. place in the 148 pound class; Tony Bowman, 2nd. place in the 157-pound class; and Jim Bussmann, 3rd. place in the Heavyweight class.

Three people place at district with one going to state. In the 130-pound class, Perry Pendergrass placed 2nd. to give him a place in state. Shannon Creson placed 4th. in the 136-pound class; and Alex Hensly placed 3rd. in the 141-pound class.

At State Perry Pendergrass started out wrestling the person that later won state. In his second match he was injured, and thus ruined his chance to go further in the competition.

Others that participated in wrestling this year were Dan Knapp in the 148-pound class; Tom Keeler in the 136-pound class; Mike Redding in the 115-pound class; and Harold Olmsted in the 168-pound class.

# 1984 Homecoming Week

The Homecoming season was the most spectacular Homecoming that Pacific has had in sports and entertainment. It was held the week of Jan. 30-Feb. 4th. The spirit of celebration was dimmed when the Varsity girls lost.

The cheerleaders and the 6th period dance class provided excellent entertainment that evening. The J.V. cheerleaders did a routine during halftime of the Varsity girls' game to "Human Touch" by Rick Springfield. The J.V. cheerleaders consist of: Brenda Zitzelberger, LuAnne Slosser, Mitzie Bennett, Bobbie Stellflug and Sheila Hofsess. Between the Girls' varsity and the Boys' varsity game, the 6th period dance class did a routine to "Maniac" by Michael Simbello. The dance class was made up of these people: Stacy Doran, LuAnne Slosser, Tammie McDonald, Amy Riste, Susie Coady, Cher Guerin, Shelly Russum, and Shannon Kelly.

The final entertainment that set off the evening was a routine done by the Varsity cheerleaders. Their routine song was "1999" by Prince. The cheerleaders were: Susie Coady, Ann Quarles, Paula Londagin, Bobbie Layne, and Sherry Harper. All of the routines were

fantastic and added excitement for the Homecoming.

The climax of the week came on Saturday at halftime of the Varsity boys' game, when the Homecoming court was presented to the Homecoming crowd. These people made up the court: Cameron Brown and Kim Silvernail, David Owens and Pam Reimers, Shannon Creson and Ann Quarles, Darin Gacuzana and Janet Iida, John Anderson and Paula Londagin, Grady Williams and Mary Thomas, and Joe Brown and Bobbie Layne. After the court was presented, the proud parents pinned carnations on their son or daughter and gave them an affectionate kiss. The following parents participated: Mrs. Trish Brown and Mr. Pete Silvernail, Mrs. Donna Owens and Mr. Wes Nedro, Mrs. Rosetta Creson and Mr. Charles Quarles, Mrs. Gloria Mackey and Mr. Ray Iida, Mrs. Sharon Anderson and Mr. David Londagin, Mrs. Luci Eagle and Mr. Roy Thomas, and Mrs. JoAnne Brown and Mr. Curt Brown. Finally, came the highlight of the week. As each princess and escort stood waiting, at last the decision was read off by Mr. Tom Radcliffe: "Ann Quarles, 1984 Homecoming Queen, and Shannon Creson, Homecoming King."

This year's track team was slightly smaller in number, but certainly not in talent. The girls' team placed first at both the Brookings Inv. and District. With the exception of three girls, the whole girls' team went to District. Those who qualified for state were: Paula Londagin; in the 300 meter hurdles; Ann Quarles and Amy Riste in the 400 meter run. Mary Thomas; in the 100 meters. Both relay teams went to state with the best qualifying time there, but due to bad weather, they placed fifth in the finals. Other girls on

the team who didn't quite make it to state but nonetheless, were quite talented and helped the team out, were Marion Dallison; a good high jumper and long jumper. Lorraine Argo and Michelle Johnson were our distance runners and both placed third at league and went to district. Caroline Argo, who was a high hope for District, but due to a false start at league was disqualified in the 100 meter hurdles. Another runner, Kim Summers also helped out the team. Three freshman runners; Shelly Sapp, Jill Anderson, and

Heidi Cuthbert contributed, also.

Our boys' team was made up of eleven runners. John Shepherd, was the State Champion in the 300 meter hurdles. Both Shannon Creson in the pole vault and Cameron Brown in the discus went to state. Vernon Moore, who was an excellent long jumper, had a bad day at District and was unable to qualify for State. David Baker and Danny Ells, were our hard-

On the cold and rainy night of Nov. 10, the two awesome teams clashed on the football field. While slogging through the mud Bobbie Layne made three touchdowns and ran for two points. Paula Londagin, also of the purple team, ran for the other two points, as they won by a score of 22-0.

# Tom And Hiroe Join The P.H.S. Family

Tom Hanson and Hiroe Hanawa are Pacific's two exchange students this year.

Tom's full name is Jan Tommy Magnus Hansson. He is from Ud-

devalla, Sweden. He enjoys music, computers, running, reading, and has a habit of talking in his sleep in Swedish.

Tom feels that the people in the U.S. are more outgoing, the food is different, and the school is different.

After graduation Tom plans on returning to Sweden and attending pre-college and then college.

\*\*\*\*\*  
\*\*\*\*\*

Hiroe is from Odawara, Kanagawa, Japan. She enjoys playing tennis, traveling, talking on the phone and going to the show.

Hiroe says that everything is big in the U.S. and everyone eats and drinks a great variety of things.

After graduation Hiroe plans to return home and take a test in March to go to college. She

plans to take history and foreign languages. Hiroe would like to someday return to the U.S. and tour coast to coast.

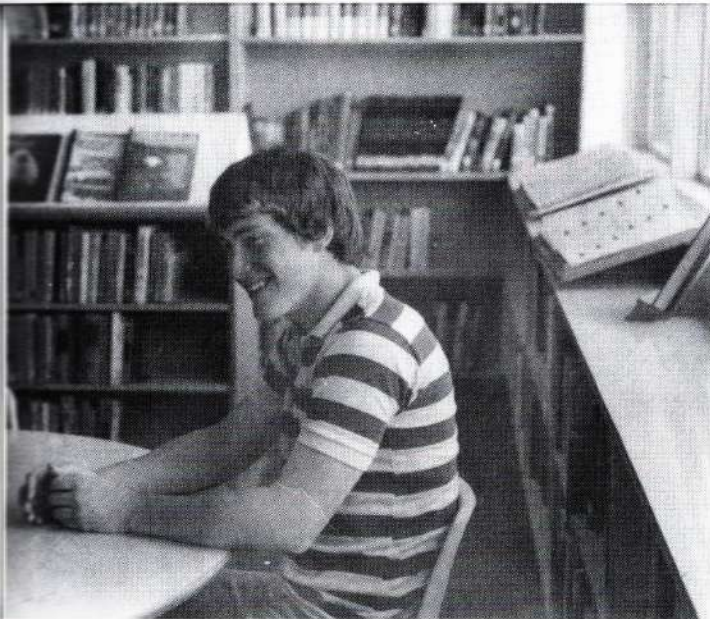

Good luck Tom and Hiroe! We thank you for sharing a year of your lives with us. We hope that you will remember P.H.S. for a long time. We will remember you always!!

# Girls', Boys' State Participants

Boys' State delegates chosen this year by the American Legion are Steve Wright and Adrian Baker. The runners-up were Ralph Ginestar and Bob Donaldson. The American Legion was able to send two students this past summer because of a financial grant from some anonymous person in our school district who is interested in good government.

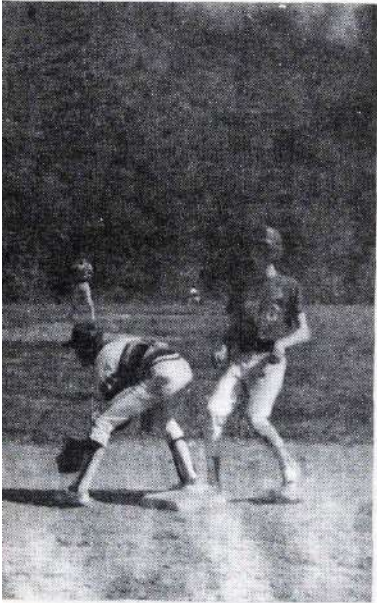

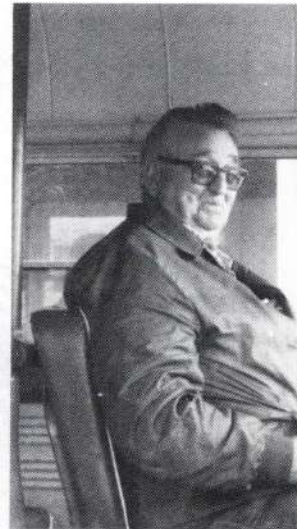

Girls' State was held the same week as Boys' State on the campus of the University of Oregon in Eugene — June 10-15. This was a full week in the practical workings of our democratic government. The American Legion Auxiliary chose Kim Summers as our delegate to be represented. Mitzie Bennett was runner-up.

Each person was assigned to a political party, ran for political office, and served in that office. It was an opportunity to hear outstanding speakers and to make friends with their peers from all over the state of Oregon.

## Golf Renewed In '84

For the first year since 1978, golf has been renewed at Pacific High, thanks to a couple of determined golfers, a generous citizen of the community, and a supportive school board.

Mr. Don Merrick of Port Orford donated his time and effort to be a coach of the prospective golf team.

The team consisted of Jerry White, Chris Fanning, Jack Dodson, Jay Cluff and Jeff Cluff. Those selected few worked hard and were determined to have a good season. At the golf tournaments, usually Jerry White and Chris Fanning were placed in the top flight followed by their teammates. This was com-

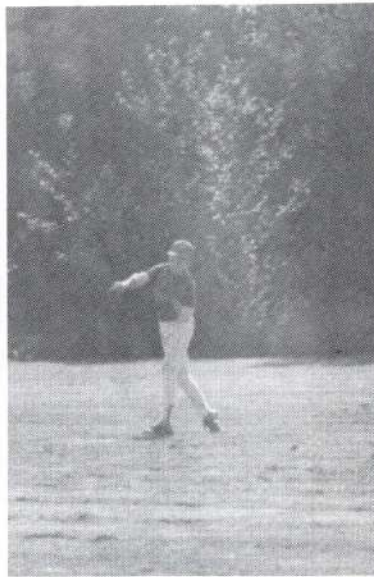

mendable since they competed against AA schools.

Since none of the boys are seniors, we will hopefully be seeing them next year. Good Luck in the Future.

Most Valuable: Jerry White, Most Improved: Jeff Cluff, and Most Inspirational: Chris Fanning.

MOST VALUABLE PLAYER-Kevin Greene./MOST INSPIRATIONAL PLAYER-Justin Dallison. MOST IMPROVED PLAYER-Mike Brown.

## Meet The Gang

The 1984 baseball season started out with a lot of members and much excitement. As the season progressed, the number went down but the spirit remained high and proud.

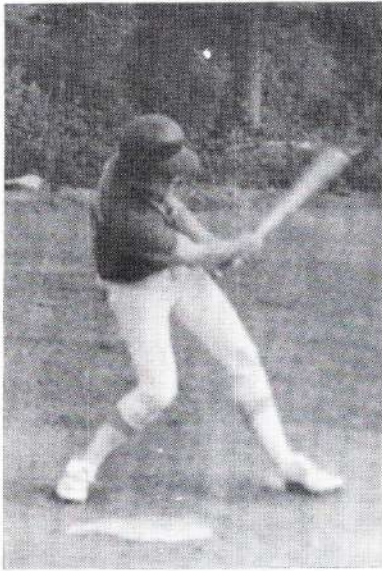

The season was very disappointing. The weather didn't cooperate with the game schedule. Several games were postponed because of the rain and mud. It was difficult to practice outside when the wind was blowing and the rain was coming down in buckets. Because of the weather the league games that were postponed had to be rescheduled within nine days. This caused the players to miss school. Some games could not be res-

cheduled and were not played.

The baseball team managed to make the best of a bad situation, finally playing 14 games. Though their record was not good, most of the players were underclassmen and gained valuable experience for success in future years.

The team strained and worked hard without much support or reassurance. Pacific really does appreciate the effort made by these guys. THANKS TEAM!! From the P.H.S. student body.

Belong

The 1984 Junior-Senior Prom was held on Friday, April 27, 1984, at the Pacific High School gymnasium.

The decorating began in early April with many of the Juniors gathering at houses to make the task easier the week before the Prom. On Monday of that week the Prom committee started decorating the gym. On Friday night everything was ready to go. At 9:00 o'clock the students and chaperons started arriving in formal wear.

At 11:00 o'clock Shannon Creson and Bobbie Layne were crowned King and Queen.

This year's theme was "Up Where We Belong" which was played during the spot-light dance.

Above the 1984 Prom Court, from left to right: Janet Iida, Darin Gacuzana, Paula Londagin, Dave Owens, King Shannon Creson, Queen Bobbie Layne, Ann Quarles, John Anderson, Mary Thomas, and John Shepherd. Cameron Brown was on the court but was unable to come to the Prom so John Anderson stood in his place.

Thanks, Juniors, for a job well done.
