Soccer

This soccer season was not as successful in winning as everyone had planned, but we still had a good time and made the best of it. The seniors, Shawn Lang and Caleb Swenson, held down the team with great effort and guided everyone through the season. "Even though we did not do very good, it was still fun." stated Whitney Peters, left fullback on the team.

Volleyball

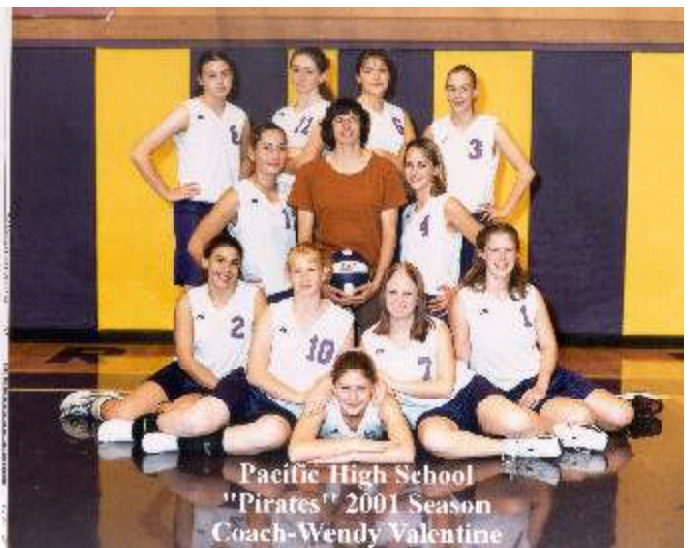

The team huddles to discuss their strategy during a timeout while Theresa Ziegler quenches her thirst.

Tara Panter watches the game from the bench while Krista Meeks, Sarah Bucher and Theres Ziegler have a good laugh.

The 2001 Volleyball season was a step up for the team from the previous year. The team held a total of eleven players, and it was decided by Coach Wendy Valentine that the team would play solely as a varsity team. This proved both an advantage and a challenge for the team. The five freshmen had to push themselves to reach the varsity game level. The five returning players from years before became instant leaders for the new group. Ashley Everst, the lone senior and team captain, was very positive through the year. "I think that though we didn't always play very well, we came together as a team. I had a lot of fun this year!" Junior, Tara Panter, led the season with 34 serving points. Ashley Everest, senior, and Theresa Ziegler, sophomore, followed with 32 points.

Middle: Krista Meeks, Coach Wendy Valentine, Sarah Bucher

Front: Tara Panter, Jeanie Hensley, Meara Fleming, Theresa Ziegler, Ashley Everest.

Cross Country

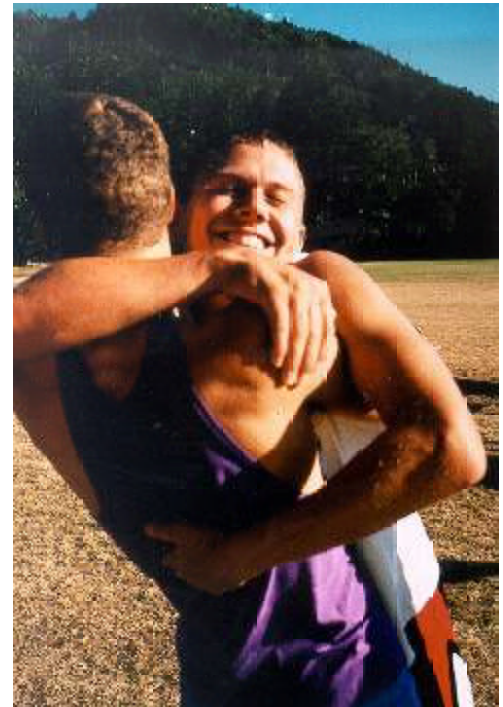

The cross country team did very well this year. Audra Loeber, Christina Alexander, and Nate Lang led the team at district. Audra placed fifth, Christina placed eight for the girls, and Nate took fourth for the boys. The boys had five top runners placing 5th, 10th, 12th, 13th, and 26th. Overall, the girls took second at district and the boys took first. At state both boys and girls placed sixth.

Girls Basketball

The 2002 Lady Pirate basketball season was a roller coaster ride. The Lady Pirates started out the season with high hopes for a shot at the playoffs, but lost steam in the last half of league play. "It was a great season," said Heather House, "Although I wish we could've won more games."

Boys Basketball

This basketball season was long and dedicated and the effort was great. Even though our team was small, we continued to advance and take a few wins. Senior Shawn Lang was not included in this picture. "This season was great, not because of the overall success, but because of the way we played together," says Billy Weinblatt, Post on the team.

Track & Field

The boys and girls track teams had a great ending with three girls and eight guys making it to state. Caleb Swenson set a new record in the pole vault with a height of 13', and Joel Foster made a new Personal Record of 41'3 in the triple jump. "I felt the season was very successful and everyone had a blast." Stated Everett Codd.

Lena Gilbreath sprints to the finish line.
