Coach Silia Polamalu

“This past season was fun and difficult at the same time. It was difficult on game days since we struggled, but at the same time the group of students who played football were a lot of fun to work with. They all grew as football players and as young adults. We were young and inexperienced, therefore we learned a lot of lessons the hard way. Hopefully we can turn those hard learned lessons into future success. The participation and extra effort by those from Pacific High is so vital to our team and always much appreciated.” - Coach Silia Polamalu
